Projects & Events for the coming year:

We have had a request for some new year 1 and 2 reading books

Garden – The probation service are due to start work the end of September to do all the works £1000.00 will be required for wood and misc items. A stone path can be installed at an extra cost. Turfing may be done at the weekends. The planting will then start. The grant has been spent now

Christmas mugs - It was noted that the photographs last year were very disappointing, and so this year we shall look at other options. It was felt by all that the idea of our children's painting/drawing being printed on a mug was an excellent idea. A flyer will be sent out nearer the time to all parents to ask if they want their children to participate and send monies in.

Maggie to ask Julie Softly if she would do the calendars again.

Cake Sale – Thursday 16th October – in the infant hall

Next meeting to be used to discuss events and to give Colin dates required for a licence.
