

# Mrs Tidury's

## Spring Term Newsletter

12<sup>th</sup> January 2009

Dear Parents,

### Happy New Year.

Here is a list of different topics we will be working on this term.

Topic: The Ancient Egyptians ~ How they lived and what they believed.

Literacy: Narrative writing, using ideas from other authors, Myths and Legends, making our writing exciting and interesting.

Maths: Calculation using and applying the rules of number, Understanding shape, Handling data, Measures, Securing number facts.

Science: Rocks and soils. Studying how they are made, looking closely at the different types.

ICT: Manipulating Sounds

RE: Journeys

PE: Gymnastics

Year 4 will be going for swimming lessons every Tuesday afternoon with me whilst Year 3 will be having another lesson with Mr. Banner on a Tuesday afternoon.

Thank you for your support last term with your child's learning logs. Could you please work along side your child while he / she is completing the tasks in the Learning Log.

Please help them to use the dictionary to check words they don't know or to learn new words.

Would you also encourage them to use a pencil to record their tasks.

Some of your children have developed a very impressive handwriting style.

Thank you for your corporation.

Linda Tidbury
